

8-BIT XMAS 2015

Genre: Puzzle Platformer
Purchase at: retrousb.com
Developed by: retrousb.com

This year's game tests your abilities when your life lasts only 12 seconds. The blinky LEDs count down until you die where you stand. Navigate jumping puzzles to reach the exit at the top of the screen. You will need to use sacrifices to build towers or bridges to complete levels. All stats are saved on the cart, so beat your best time or use the fewest lives! Can you escape all 99 challenging levels?

The Incident

Genre: Box Pushing Puzzle
Purchase at: khangames.com
Developed by: KHAN Games

The year is 2415. Mankind has evacuated the city, leaving a once thriving commercial warehouse completely abandoned. But something has happened, awakening Sam, box-pushing robot model number KSS-084. Can you help Sam escape the basement? Featuring over 100 levels of box-pushing puzzle action, strain your brain to complete them and come one step closer to whatever is outside.
